

Notice Of Environmental Impact Assessment Process

Notice is hereby given in terms of the regulations published in Government Notice No. R. 1182 under Section 21(1)(i), (1)(ii), (1)(iii) of the Environment Conservation Act (Act No. 73 of 1989) of intent to carry out the following activity:

- Raising of the Hazelmere Dam Wall by means of Radial Gates
- Location - The Hazelmere Dam is located approximately 5km north of the town of Verulam on the Mdloti River, KwaZulu-Natal.
- Description - The development proposes to raise the height of the Hazelmere dam wall via the installation of radial gates. The proposed radial gates will raise the existing dam wall by 7m, from the current full supply level of 86 m.a.s.l to that of 93 m.a.s.l
- Public Meeting - An open day and public meeting will be held with all respondents on 16 July 2007 at the Canelands Country Club, Verulam. The open day will be held from 12am - 5pm and the public meeting will commence at 6pm.
- Name of Proponent - The Department of Water Affairs and Forestry.
